A: I suspect that after you got the commands there was a typo in something or a number got zerofilled. If that isn't the case, I would try launching the game again at the same time, with the same commands, and see if it boots (if it doesn't, then the commands were wrong, or the game doesn't work anyway). A: this worked for me and i could finally activate the other worlds and save them for the future unfortunately the save for duske world was lost so you are going to have to remake that save if you wish to re-use it Resident evil pc Episode 2 PS3 or xbox 360 Make sure xbox 360 controller is connected, no need to make sure ps3 controller is
